The Hydroacoustic Show Opens @ Gallery 400

This is a show of film and video works devoted to the unusual sounds and sights of the sea, curated by Ben Russell. Works on display include a siren-Spongebob-song, a flicker score for the Red Sea with a whale chorus, octo-electronica, and gurgling pop tune by internationally-famous and loved video artist, Pipilotti Rist. The opening is at 7pm at UIC's Gallery 400: 400 S. Peoria. Call them at (312) 996-6114 for more information.
